

Academic English

Kia ora, Welcome!

Develop your Academic English language skills so you are prepared for success in undergraduate and postgraduate study. Learn how to develop learning strategies and language skills in listening, speaking, reading and writing.

This programme offers a number of courses. Each course targets different English levels. Students will be enrolled in the appropriate level after taking a placement test or providing officially recognized evidence of their language proficiency.

WHY STUDY WITH US

- Short courses that help you achieve your academic goals
- Prepare you for future study and life in New Zealand
- Qualified and experienced English language tutors
- Dedicated and experienced Learner Support Advisors who work with you to improve your study skills
- Multicultural diversity is promoted on our campus
- Campus is located in the City Centre with modern facilities

Academic English

(Levels 1–3)

ENTRY CRITERIA

Students will be enrolled in the appropriate level after taking a placement test or providing officially recognized evidence of their language proficiency.

PATHWAYS

This programme offers a pathway to NZCEL. Successful completion of NZCEL programmes enables direct entry into degree and post-graduate programmes.

To be admitted into certificates, diplomas, degrees and postgraduate programmes at Whitireia & WelTec, students need to pass an IELTS or other recognized English Proficiency test, or pass NZCEL.
