PATHWAYS

NZCEL (APPLIED) LEVEL 3

Gain the language skills needed to communicate in most situations to take part in everyday life, in your community and for academic purposes.

This programme has four modules designed to build English language skills in listening, speaking, reading and writing.

Entry Criteria

New Zealand Certificate in English Language Level 3 (General) or equivalent or evidence of English skills based on internal placement test.

NZCEL (ACADEMIC) LEVEL 4

Our Level 4 programme is designed to provide the language skills for further academic study or employment in New Zealand.

Entry Criteria

New Zealand Certificate in English Language Level 3 (Applied) or equivalent or evidence of English skills based on internal placement test.

NZCEL (ACADEMIC) LEVEL 5

The New Zealand Certificate in English Language (Academic) (Level 5) enables students to develop English language skills in order to progress into specialised fields of study or programmes of study that are linguistically demanding.

This programme has four modules designed to build English language skills in Listening, speaking, reading and writing.

Entry Criteria

New Zealand Certificate in English Language (Academic) Level 4 or equivalent or evidence of English skills based on internal placement test.
