This is a very exciting time for vocational education in New Zealand and here at Whitireia and WelTec we offer many flexible training options to help you forge your career.

We work closely with regional employers and communities to ensure that every programme we provide is designed with a real job in mind. Our highly-skilled teaching staff provide you with the learning, practical skills and hands-on experience to flourish in the job market.

We welcome learners at every life stage – school leavers, university graduates, those preparing to re-enter the workforce, and current workers wanting to upskill or retrain. We have a place for everyone.

Within this prospectus you will find information about the teaching, support services and programmes offered by us in 2021. Thank you for considering the many training options available with us and we look forward to welcoming you on board.

Ngā mihi nui ki a koutou
Kia ora,

Mark Oldershaw
CHIEF EXECUTIVE WHITIREIA AND WELTEC
APPRENTICESHIPS
Become qualified while you work. Learn your trade alongside other apprentices with practical tutorials, evening classes and regular on-site assessment by our tutors.

CADETSHIPS AND INTERNSHIPS
There are opportunities to work while you study to gain experience, including trades cadetships, placements, work experience in restaurants or salons, or internships in the IT industry.

FLEXIBLE OPTIONS
Train at our campuses in Wellington, Petone, Porirua, or Auckland. You can study full-time, part-time or online in some of our programmes. We also offer a selection of night classes.

LEARN FROM INDUSTRY PROFESSIONALS
Our tutors are industry experts keen to share their knowledge. They’re experienced nurses, chefs, hairdressers, make-up or performing artists, have run businesses or worked as engineers.

PRACTICAL LEARNING
Gain valuable skills that you can put into practice straightaway. Every one of our programmes is designed with a job in mind. Gain valuable experience through collaborations such as movie sets and shows like WOW.

QUALIFICATIONS THAT EMPLOYERS VALUE
Our qualifications are recognised in New Zealand and around the world. All have been developed with our industry partners to ensure your training is practical and relevant.

WORK ZONES
Learn in training facilities such as our beauty and hairdressing salons, restaurants and cafés, film studios, building sites, automotive workshops, music studios or health simulation suites.
OUR CAMPUSES

We have locations throughout the Wellington region, and in Auckland too. Our campuses have modern training facilities and work zones.
WHERE YOU’LL STUDY

Find out where your course is located by checking the programme information, starting on page 17.

Programmes offered by Whitireia or WelTec located at Porirua are taught at the Whitireia Campus. Programmes located at Petone are taught at the WelTec Campus or Construction Campus on Western Hutt Road.

CAREERS SUPPORT
Our Careers Advisor has close links with employers and information on available jobs. Our Careers Advisor can also help you to identify career and employment options that meet your interests and values. Make an appointment to discuss your CV, cover letter and interview preparation.

CHILDCARE
We have fully-licensed childcare centres at our Petone and Porirua campuses. If you are interested enquire early; places are limited.

COMPUTERS AND IT
Come in and use our computers, printers and photocopiers. Connect to free Wifi. We have help desk staff on campus too if you have any questions.

COUNSELLING
We offer a range of free confidential counselling services, both on and off campus, that are available to all students.

FINANCIAL SUPPORT
Our Engagement Advisors can help you get your money sorted. They will make sure you are supported with StudyLink, WINZ and any other funding required. We can also help with budgeting or gaining access to extra financial support such as emergency grants.

HEALTH AND WELLNESS
We want you to be in good health so you can perform your best. We have Engagement Advisors to support your wellbeing during your studies and provide a range of health and wellbeing activities and services.

LIBRARY
Access a range of resources, both online and in print. Use books or journal articles for assignments. Consult building codes, standards and technical manuals.

STUDENT VOICE
We want to hear your voice about your learning experience. Each programme elects a Student Voice Representative who is the communication channel between you, your class and the institute. You can put forward ideas about teaching and learning, events, activities or anything to do with your study experience. We have a student council who welcomes student participation.

STUDENTS WITH A LEARNING DIFFICULTY, IMPAIRMENT OR DISABILITY
We have dedicated, experienced people to support you if you have a learning difficulty, impairment or disability. We also offer mental health support. We will work with you and your tutors to provide appropriate resources to support a successful learning journey. Make a time to come and see the team before you start studying so we can ensure that all your supports are in place.

IMPORTANT DATES
Trimester One
Starts in early March (though some programmes begin earlier) and runs until the end of June

Trimester Two
Runs from mid-July to mid-November

Trimester Three
Runs from mid-November to March
**STUDY FEES FREE**

If you’re new to tertiary study or have undertaken no more than half a year’s tertiary education at Level 3 or above, you may qualify for one year of fees-free study. See [feesfree.govt.nz](http://feesfree.govt.nz) for more details.

**FREE BUS**

There is a free bus service connecting Petone, Porirua and Wellington. Please see our websites for the timetable.

**STUDY SUPPORT**

We have a dedicated team of learning advisors to support your academic learning needs. Whether it’s time management, report or essay writing, maths or study skills, we can help. Make an appointment at any helpdesk, 0800 141 121 or LSS@wandw.ac.nz

**FEES**

Go to [whitireialweltec.ac.nz](http://whitireialweltec.ac.nz) and check the programme sections for fee details.

If you are intending to pay by student loan, apply to StudyLink at [studylink.govt.nz](http://studylink.govt.nz)

**SCHOLARSHIPS**

There are also scholarships to support you during your study, some offered by Whitireia and WelTec and others provided by employers and industry. [whitireialweltec.ac.nz/scholarships](http://whitireialweltec.ac.nz/scholarships)

**GRADUATION**

Graduation is a time to celebrate your success. Whitireia and WelTec have ceremonies throughout the year at local venues, or on-campus, for you to attend with your fellow students, tutors, mentors, whānau and friends.
STUDENT SUPPORT
MĀORI AND PACIFIC

Māori Student support

Nau mai, haere mai

Our Māori support staff and mentors will support you on your learning journey.

We are here to support the success and participation of Māori students at WelTec and Whitireia. At WelTec the Tamaiti Whāngai team provide mentoring, pastoral, cultural and academic support. The team will also provide advocacy internally and externally as required.

At Whitireia you’ll be supported by our Pou Whakamanawa (Māori Success Advisor), who will respond to any issue you may have.

There are dedicated spaces to study, hang out and korero. At our Petone campus you’ll find Te Whare Āwhina, and in Porirua there is Ako Ake Café for Māori and Pacific students.

Iwi partners – Te Ātiawa at WelTec and Ngāti Toa Rangatira at Whitireia – support our students and are regularly on campus.

Pacific Student support

Kia ora, Talofa lava, Malo e lelei, Kia orana, Talofa ni, Faka‘alofa atu, Ni sa bula vinaka, Mauri, Talofa, Halo Olgeta; greetings and welcome

We are committed to supporting you and your academic success.

Our Pacific engagement and academic advisors provide academic, cultural and pastoral support. Whether you need learning support or help with an issue outside study, our friendly team is here for you.

We have dedicated spaces in Petone and Porirua. On our Petone campus is the Pacific Centre and there’s the Ako Ake Café for Māori and Pacific students at our Porirua campus.
MĀORI AND PASIFIKA TRADES TRAINING

Māori and Pasifika students looking to learn a trade can apply for a Māori and Pasifika Trades Training scholarship, which is a government funded scholarship to cover full fees and course-related costs.

Māori and Pasifika Trades Training Scholarship students are supported at both Whitireia and WelTec by the Tamaiti Whangai team.

The Tamaiti Whangai team will support you with mentoring, goal setting, pastoral and cultural support. You will have the opportunity to get your drivers license, site safe and first aid certificates. The dedicated Tamaiti Whangai Job Brokers have close links with employers and industry and will assist you to find an apprenticeship and/or employment.

Options include* – Automotive, Bakery, Collision Repair, Electrical Engineering, Food and Beverage, Hairdressing, Makeup and Skincare, Mechanical Engineering, Plumbing, Gasfitting and Drainlaying, Painting and Decorating and Tiling.

*2021 offerings are subject to TEC approval. See the website for the full 2021 list of programmes and entry criteria.

Scholarship Criteria

You need to meet the entry criteria for the programme you are enrolling in and be:

• of Māori or Pasifika descent
• 16-40 years old at the start of your study

STEPS TO ENROL

Find the right programme by browsing our programme list. Decide what to study and check the entry requirements.

A step-by-step guide to enrolling for domestic students.

1

APPLY TO ENROL

ONLINE
Use our online enrolment form (we recommend you apply online if possible)

BY POST
Download and print an application form and send it to us.

IN PERSON
Enrol in person at one of our campuses.

If you haven’t studied with us before, you will need to provide verified ID.

2

ENTRY REQUIREMENTS

Your application to enrol will be reviewed against the entry requirements for your chosen programme.

Please check online for further details about:

- Special admission for over 20s
- Language requirements
- Application due dates
- Interviews or supporting information requirements

3

PAY YOUR FEES

You will receive an invoice for your fees which must be paid in full, or arrangements made for payment of fees before the start of your study.

Welcome to Whitireia and WelTec.
We’ll confirm your enrolment and let you know about orientation dates and your student email account.

ACCEPTANCE

Once your application is approved, we will send you an offer of place and study contract with details of your enrolment, including fees. You will be asked to accept or decline this offer.
Targeted Training and Apprenticeship Fund (TTAF)

TTAF makes a range of training and apprenticeship programmes free for learners. It is targeted towards industries where demand from employers for these skills will continue to be strong, or is expected to grow, during New Zealand’s recovery period from the impacts of COVID-19.

With funding until December 2022, you can study in the following targeted areas**

• Construction Trades (Carpentry, Electrical, Painting and Decorating, Plumbing, Tiling), Community Support and Wellbeing, Hospitality, and Mechanical Engineering.

*This fund covers fees only. Additional course-related costs are not included by this initiative.

**See the website for the full 2021 list of programmes and entry criteria.

Youth Guarantee

Are you 16-19 years old?

Youth Guarantee enables you to train fees free for up to two years in a range of practical programmes. Complete an introductory programme at Level 1 or 2 and then choose from a wider selection of Level 3 options.

Youth Guarantee can help cover your fees, course-related costs and travel. This could be ideal if you want to keep learning, but feel school is no longer right for you.

Options include* – Automotive, Construction Trades (Carpentry, Electrical, Painting and Decorating, Plumbing, Tiling), Cookery, Hairdressing, Hospitality, Mechanical Engineering and Tourism.

*See the website for the full 2021 list of programmes and entry criteria.
