

Tiling

Māori and Pasifika Trades Training

Ākongā Māori and Pacific looking to learn a trade can apply for a Māori and Pasifika Trades Training (MPTT) scholarship to cover full fees and course-related costs.

Tautoko while studying

Māori and Pasifika Trades Training scholarship students are supported by both Te Pūkenga - Whitireia and Te Pūkenga - WelTec through the Tamaiti Whāngai team.

The Tamaiti Whāngai team will support you with mentoring, goal setting, pastoral and cultural support. You'll have the opportunity to get your drivers license, site safe, and first aid certificates. The dedicated Tamaiti Whāngai Job Brokers have close links with employers and industry and will assist you to find an apprenticeship and/or employment.

Programmes where you can get a Māori and Pasifika Trades Training scholarship include - Automotive, Bakery, Collision Repair, Construction, Electrical Engineering, Hairdressing, Makeup and Skincare, Mechanical Engineering, Plumbing, Gasfitting and Drainlaying, Painting and Decorating, and Tiling.

Job Brokers

Our Tamaiti Whāngai Job Brokers have close with employers and have information of available jobs for MPTT ākongā.

We thank our iwi partners, Te Rūnanga o Te Āti Awa and Ngāti Toa Rangatira as well as our Pasifika partner, Mafutaga Faifeau Samoa for the support they provide to our Māori and Pasifika Trades Training scholarship students.

Scholarship criteria

You need to meet the entry criteria for the programme you are enrolling in and be:

- of Māori or Pacific decent
- 16-40 years old at the start of your study
- a New Zealand citizen or permanent resident
- able to meet the entry requirements for your programme

We want you to be passionate and show that you are motivated to succeed.

New Zealand Certificate in Construction Trade Skills (Level 3) Allied Trades- Tiling

📖	Level 3
🕒	18 weeks
📅	07 Jul 2025 (Petone)
💰	\$3,823 (indicative for 2025 intake)

Get the introductory skills that will set you up as a successful tiler. Develop skills around tiling techniques, including design for indoor and outdoor installations. You'll become familiar working with various materials; ceramic tiles, waterproofing membrane, epoxy grouts and tile trims. After qualifying from this programme, students can then go on to an apprenticeship.

What you will learn

Develop skills to go straight into work in the industry. Learn about tiling techniques and design for indoor and outdoor installations. Use different materials like ceramic tiles, waterproofing membrane, epoxy grouts and tile trims. Train in our workshops. Gain safe worksite skills so you're ready for industry.

- Gain tiling employment skills
- Safely use hand tools and materials
- Install indoor/outdoor floor and wall tiling
- Learn design techniques for feature walls and mosaic
- Apply a variety of adhesives, grouts and sealants
- Interpret construction drawings to complete projects
- Perform simple trades calculations and order quantities
- Follow industry health and safety protocols

More detail about this qualification

Students may be eligible for fees free, check the [fees free](#) website for more information.

Career options

Work as a tiling apprentice. With experience and further study you can progress to be a qualified tradesperson in a team or become self-employed. Other construction trade areas, such as plastering or painting, are also an option.

Entry requirements

Open Entry.

**For fee exclusions, please see our [terms and conditions](#).
